- The Ice Scheduler will allocate all ice, including ice for league play and team practice ice.
- All teams will be allocated their fair share of the less attractive ice times.

- The Ice Scheduler may take away any previously allocated ice time as necessary.
- So as not to jeopardize attempts to get more ice from the City of Clarence-Rockland, no ice may go unused. The Ice Scheduler will closely monitor the use of allocated ice.
- Teams are responsible for ensuring that none of their assigned ice goes unused.
- If a team cannot use an assigned ice allotment (e.g. tournament, rescheduled game), the following procedure applies:

- The team must notify the Ice Scheduler at least 7 days prior to the ice time.
- Sanctions will be imposed on any team failing to ensure that its allotted ice is used or failing to follow the procedure described above for allocated ice that a team is unable to use. Such sanctions will take the form of, but are not necessarily limited to:
